A Funeral Director’s gift to the living...

Thank you for your confidence in [FUNERAL HOME] by allowing us to handle your loved one’s funeral service. We are sincerely committed to meeting the highest standard of care by providing personal service and attention to the needs of our families.

Our most important responsibilities are to professionally and gently support and guide you before, during, and following your loss.

As a continuation of care, we are providing you with access to the Grief Care Library. This library includes over 300 grief care resources that you can access 24/7-365 days a year, at your convenience. Included are articles, digital grief books, a monthly, live zoom grief support group, grief chat, podcasts, videos, inspirational memes and helpful links. As it is our sincere hope to support you during this difficult time, the library will provide you with resources, including suggestions for coping with your loss and help you adapt to the changes ahead.

OUR HOPE IS TO...

- ✓ Show our continued concern for your well-being.
✓ Provide reading material about the grief process.
✓ Provide individual, live support opportunities, through a support group and grief chat.
✓ Raise awareness of the impact that grief has on families and communities.
✓ Provide continued support and understanding.
